ACTION ITEMS:

Summary of Contract Management Activities Q3 2018

1. Did any complaints regarding OhmConnect come through to SCE's customer service team, or only to the CPUC?
2. Of the customers that switched from OhmConnect, were any already signed up for another IOU program?
3. Regarding Solar Partners 1, how many mirrors are on unit 2, and what was the reduction in generation following the July 29, 2018 issue.

SCE Energy Planning and Trading Quarterly Deep Dive

1. SCE will confirm slide 18 is accurate.
2. SCE will update slide 25.
3. How many credits does each EV customer receive by participating in the low carbon fuel standard (LCFS) program?
